#### About The Global Leaders:

The Global Leaders was started in 2009 to enable people to find and network with their global peers to facilitate business and philanthropic relationships through shared information, knowledge, and insights. Our hope is that the network we build will allow our members and their organizations to achieve their goals and objectives through collaborative wisdom, work, and wealth.

The Global Leaders aims to connect people across the four pillars of business, government, education, and philanthropy through intergroup communication, and one of the primary ways by which we achieve this communication is by providing opportunities for members to meet face-to-face, network, and discuss our collective and individual impact.

The Global Leaders has over 16,000 active members in over 150 industries and over 100 countries. Our members lead or have led over 10,000 global companies, with headquarters in over 60 countries that employ more than 28 million people. They have revenue exceeding \$7 trillion and assets of over \$56 trillion. As a reference, global GDP is \$60 trillion. The Global Leaders is growing at a rate of over 100 key executives per week.
