**Item 1.01. Entry into a Material Definitive Agreement**

See Item 3.02 (Unregistered Sales of Equity Securities) below.

**Item 3.02. Unregistered Sales of Equity Securities**

On February 20, 2008, The Nasdaq Stock Market, Inc. (“Nasdaq”) entered into a purchase agreement (the “Purchase Agreement”) with J.P. Morgan Securities Inc. and Banc of America Securities LLC (the “initial purchasers”) under which Nasdaq agreed to sell \$425 million aggregate principal amount of 2.50% convertible senior notes due 2013 (the “Notes”). The Purchase Agreement also granted the initial purchasers an option to purchase up to an additional \$50 million in principal amount of Notes to cover over-allotments. The closing of the sale of the Notes is expected to occur on February 26, 2008. Nasdaq intends to use the net proceeds from this offering, available cash and borrowings under a new senior secured credit facility to fund its combination with OMX AB (publ) (OMX), investment in the Dubai International Financial Exchange and proposed acquisitions of The Philadelphia Stock Exchange, Inc. (PHLX) and the Boston Stock Exchange, as well as to repay certain indebtedness of OMX and PHLX, provide ongoing working capital and provide for other general corporate purposes. The Purchase Agreement contains customary representations, warranties and agreements of Nasdaq and customary conditions to closing, indemnification rights and obligations of the parties and termination provisions. A copy of the Purchase Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The Notes will be issued to the initial purchasers in a private placement, in reliance on the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the “Securities Act”) and will be resold by the initial purchasers to “qualified institutional buyers” pursuant to the exemption from registration provided by Rule 144A under the Securities Act. Nasdaq will rely on these exemptions from registration based in part on representations made by the initial purchasers in the Purchase Agreement.

The Notes will bear interest at a rate of 2.50% per year. Interest on the Notes will be payable semi-annually in arrears on February 15 and August 15 of each year, beginning August 15, 2008. The Notes will mature on August 15, 2013, subject to earlier repurchase or conversion.

Holders may convert their Notes at their option at any time prior to the close of business on the business day immediately preceding the maturity date for such Notes under the following circumstances: (1) during any fiscal quarter after the fiscal quarter ending June 30, 2008 (and only during such fiscal quarter), if the last reported sale price of Nasdaq’s common stock for at least 20 trading days in the period of 30 consecutive trading days ending on the last trading day of the immediately preceding fiscal quarter is equal to or more than 130% of the conversion price of the Notes on the last day of such preceding fiscal quarter; (2) during the five business-day period after any five consecutive trading-day period, or the measurement period, in which the trading price per \$1,000 principal amount of the Notes for each day of that measurement period was less than 98% of the product of the last reported sale price of Nasdaq’s common stock and the conversion rate of the Notes on each such day; or (3) upon the occurrence of certain corporate transactions. In addition, holders may also convert their Notes at their option at any time beginning on May 15, 2013, and ending at the close of business on the business day immediately preceding the maturity date for the Notes, without regard to the foregoing circumstances. Upon conversion, Nasdaq will pay or deliver, as the case may be, cash, shares of Nasdaq common stock or a combination thereof at Nasdaq’s election. The initial conversion rate for the Notes will be 18.1386 shares of Nasdaq common stock per \$1,000 principal amount of Notes, equivalent to an initial conversion price of approximately \$55.13 per share of common stock. Such conversion rate will be subject to adjustment in certain events but will not be adjusted for accrued interest, including any additional interest.

The Notes and the underlying common stock issuable upon conversion of the Notes have not been registered under the Securities Act and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This report on Form 8-K does not constitute an offer to sell, or a solicitation of an offer to buy, any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering would be unlawful.

Ladies and Gentlemen:

The Nasdaq Stock Market, Inc., a Delaware corporation (the "Company"), proposes to issue and sell to J.P. Morgan Securities Inc. and Banc of America Securities LLC (the "Initial Purchasers"), as listed in Schedule 1 hereto, \$425,000,000 principal amount of its 2.50% Convertible Senior Notes due 2013 (the "Firm Securities"). The Firm Securities will be issued pursuant to an Indenture (the "Indenture"), to be dated as of the Closing Date (as defined below), among the Company and The Bank of New York, as trustee (the "Trustee"). The Company also proposes to issue and sell to the Initial Purchasers not more than an additional \$50,000,000 principal amount of its 2.50% Convertible Senior Notes due 2013 (the "Additional Securities") if and to the extent that the Initial Purchasers shall have determined to exercise the right to purchase such Additional Securities granted to the Initial Purchasers in Section 1 hereof. The Firm Securities and the Additional Securities are hereinafter collectively referred to as the "Securities." The Securities will be convertible into cash, shares (the "Underlying Securities") of common stock of the Company, par value \$0.01 per share (the "Common Stock"), or a combination thereof.

The Securities will be sold to the Initial Purchasers without being registered under the Securities Act of 1933, as amended (the "Securities Act"), in reliance upon an exemption therefrom. The Company has prepared a preliminary offering memorandum dated February 20, 2008 (including the documents incorporated by reference therein, the "Preliminary Offering Memorandum") and will prepare an offering memorandum dated the date hereof (including the documents incorporated by reference therein, the "Offering Memorandum") setting forth information concerning the Company and the Securities. Copies of the Preliminary Offering Memorandum have been, and copies of the Offering Memorandum will be, delivered by the Company to the Initial Purchasers pursuant to the terms of this Agreement. The Company hereby confirms that it has authorized the use of the Preliminary Offering Memorandum, the other Time of Sale Information (as defined below) and the Offering Memorandum in connection with the offering and resale of the Securities by the Initial Purchasers in the manner contemplated by this Agreement.

At or prior to the time when sales of the Securities were first made (the "Time of Sale"), the following information shall have been prepared (collectively, the "Time of Sale Information"): the Preliminary Offering Memorandum, as supplemented and amended by the written communications listed on Annex A hereto.

Holders of the Securities (including the Initial Purchasers and their direct and indirect transferees) will be entitled to the benefits of a Registration Rights Agreement, to be dated the Closing Date (as defined below) and substantially in the form attached hereto as Exhibit A (the "Registration Rights Agreement"), pursuant to which the Company will agree to file one or more registration statements with the Securities and Exchange Commission (the "Commission") under certain circumstances, which registration statements would provide for the registration under the Securities Act of the Securities.

The Securities are being issued and sold as part of the financing necessary to effect (a) the Transactions (as defined below), including the acquisition of not less than 67 percent of the outstanding capital stock of OMX AB (publ), a company incorporated and organized under the laws of Sweden, with corporate registration number 556243-8001 ("OMX"), held by Borse Dubai Limited, a company registered in the Dubai International Financial Centre in Dubai with company number CL0447 ("Borse Dubai"), and BD Stockholm AB, a corporation organized under the laws of Sweden ("Bidder"), pursuant to the transaction agreement, dated as of November 15, 2007, by and among the Company, Borse Dubai and Bidder (the "OMX Transaction Agreement"), (b) the refinancing of certain indebtedness of OMX and (c) the payment of all fees, costs and expenses incurred or payable by the Company or any of its subsidiaries in connection with the Transactions. For the purposes of this Agreement, the term "Transactions" has the meaning given such term in the Preliminary Offering Memorandum. The Transactions and any related premiums, fees and expenses will be financed from the following sources: (1) the issuance of Common Stock to Borse Dubai described in the Time of Sale Information and the Offering Memorandum (the "Equity Investment"); (2) loans under a senior secured credit facility as described in the Time of Sale Information and the Offering Memorandum (together with any other documents, agreements or instruments delivered in connection therewith, the "Credit Facility"), which shall also be used to finance the continuing operations of the Company and its subsidiaries after the Transactions, (3) cash on hand and (4) cash proceeds from the issuance of the Securities.

The Company hereby confirms its agreement with the several Initial Purchasers concerning the purchase and resale of the Securities, as follows:

1. Purchase and Resale of the Securities.

(a) The Company agrees to issue and sell the Securities to the several Initial Purchasers as provided in this Agreement, and each Initial Purchaser, on the basis of the representations, warranties and agreements set forth herein and subject to the conditions set forth herein, agrees, severally and not jointly, to purchase from the Company the respective principal amount of Securities set forth opposite such Initial Purchaser's name in Schedule 1 hereto at a price equal to 98.125% of the principal amount thereof (the "Purchase Price") plus accrued interest, if any, from February 26, 2008 to the Closing Date.

On the basis of the representations and warranties contained in this Agreement, and subject to its terms and conditions, the Company agrees to sell to the Initial Purchasers the Additional Securities, and the Initial Purchasers shall have the right to purchase, in the same proportion as the Securities are purchased as set forth in Schedule 1, in whole, or from time to time in part, up to \$50,000,000 principal amount of Additional Securities, solely to cover over-allotments, at the Purchase Price plus accrued interest, if any, from the Closing Date (as defined below) to the date of payment and delivery.

If you, on behalf of the Initial Purchasers, exercise such option, you shall so notify the Company in writing, which notice shall specify the principal amount of Additional Securities to be purchased by the Initial Purchasers and the date on which such Additional Securities are to be purchased. Such date must be within a 30-day period from, and including, the Closing Date.

The Company will not be obligated to deliver any of the Securities except upon payment for all the Securities to be purchased as provided herein.

(b) The Company understands that the Initial Purchasers intend to offer the Securities for resale on the terms set forth in the Time of Sale Information. Each Initial Purchaser, severally and not jointly, represents, warrants and agrees that:

(i) it is a qualified institutional buyer within the meaning of Rule 144A under the Securities Act (a "QIB") and an accredited investor within the meaning of Rule 501(a) under the Securities Act;

(ii) it has not solicited offers for, or offered or sold, and will not solicit offers for, or offer or sell, the Securities by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D under the Securities Act ("Regulation D") or in any manner involving a public offering within the meaning of Section 4(2) of the Securities Act; and

(iii) it has not solicited offers for, or offered or sold, and will not solicit offers for, or offer or sell, the Securities as part of their initial offering except within the United States to persons whom it reasonably believes to be QIBs in transactions pursuant to Rule 144A under the Securities Act ("Rule 144A") and in connection with each such sale, it has taken or will take reasonable steps to ensure that the purchaser of the Securities is aware that such sale is being made in reliance on Rule 144A.

(c) Each Initial Purchaser acknowledges and agrees that the Company and, for purposes of the opinions to be delivered to the Initial Purchasers pursuant to Section 6(f), counsel for the Company may rely upon the accuracy of the representations and warranties of the Initial Purchasers, and compliance by the Initial Purchasers with their agreements, contained in paragraph (b) above, and each Initial Purchaser hereby consents to such reliance.

(d) The Company acknowledges and agrees that the Initial Purchasers may offer and sell Securities to or through any affiliate of an Initial Purchaser and that any such affiliate may offer and sell Securities purchased by it to or through any Initial Purchaser.

(e) The Company acknowledges and agrees that the Initial Purchasers are acting solely in the capacity of an arm's length contractual counterparty to the Company with respect to the offering of Securities contemplated hereby (including in connection with determining the terms of the offering) and not as financial advisors or fiduciaries to, or agents of, the Company or any other person. Additionally, no Initial Purchaser is advising the Company or any other person as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction. The Company shall consult with its own advisors concerning such matters and shall be responsible for making its own independent investigation and appraisal of the transactions contemplated hereby, and the Initial Purchasers shall not, either jointly or severally, have any responsibility or liability to the Company with respect thereto. Any review by any Initial Purchaser of the Company, and the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of such Initial Purchaser, and shall not be on behalf of the Company or any other person.

(e) *Comfort Letters.* On the date of this Agreement and on the Closing Date, each of Ernst & Young LLP, PricewaterhouseCoopers AB and Grant Thornton LLP shall have furnished to the Initial Purchasers, at the request of the Company, OMX and PHLX, respectively, letters, dated the respective dates of delivery thereof and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Initial Purchasers, containing statements and information of the type customarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in each of the Time of Sale Information and the Offering Memorandum; provided that the letter delivered on the Closing Date shall use a "cut-off" date no more than three business days prior to the Closing Date.

(f) *Opinion and 10b-5 Statement of Counsel, Opinion of Foreign Counsel and Opinion of Local Counsel for the Company.* Skadden, Arps, Slate, Meagher & Flom LLP, counsel for the Company, shall have furnished to the Initial Purchasers, at the request of the Company, their written opinion and 10b-5 statement; Edward S. Knight, Executive Vice-President and General Counsel of the Company, shall have furnished to the Initial Purchasers his written opinion; Magnus Billing, General Counsel of OMX AB, shall have furnished to the Initial Purchasers his written opinion; and Advokatfirman Cederquist KB, foreign counsel for the Company, shall have furnished to the Initial Purchasers at the request of the Company, their written opinion, in each case dated the Closing Date and addressed to the Initial Purchasers, in form and substance reasonably satisfactory to the Initial Purchasers, to the effect set forth in Annex C-1, C-2, C-3 and C-4 hereto, respectively.

(g) *Opinion and 10b-5 Statement of Counsel and Opinion and 10b-5 Statement of Foreign Counsel for the Initial Purchasers.* The Initial Purchasers shall have received on and as of the Closing Date an opinion of Davis Polk & Wardwell and an opinion and 10b-5 statement of Cahill Gordon & Reindel LLP, each counsel for the Initial Purchasers, with respect to such matters as the Initial Purchasers may reasonably request, and each such counsel shall have received such documents and information as they may reasonably request to enable them to pass upon such matters.

(h) *No Legal Impediment to Issuance.* No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Securities; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Securities.

(i) *Good Standing.* The Initial Purchasers shall have received on and as of the Closing Date satisfactory evidence of the good standing of the Company in its jurisdiction of organization and its good standing in such other jurisdictions as the Initial Purchasers may reasonably request, in each case in writing or any standard form of telecommunication, from the appropriate governmental authorities of such jurisdictions.

(j) *Registration Rights Agreement.* The Initial Purchasers shall have received a counterpart of the Registration Rights Agreement that shall have been executed and delivered by a duly authorized officer of the Company.

(k) *PORTAL and DTC.* The Securities shall have been approved by FINRA for trading in the PORTAL Market and shall be eligible for clearance and settlement through DTC.

(l) *Lock-up Agreements.* The “lock-up” agreements, each substantially in the form of Exhibit B hereto, of the officers and directors of the Company identified on Exhibit B relating to sales and certain other dispositions of shares of Common Stock or certain other securities, shall have been delivered to the Initial Purchasers on or before the date hereof and shall be in full force and effect on the Closing Date;

(m) *Listing.* An application for the listing of the Underlying Securities shall have been submitted to the Exchange;

(n) *Additional Documents.* On or prior to the Closing Date, the Company shall have furnished to the Initial Purchasers such further certificates and documents as the Initial Purchasers may reasonably request.

(o) *Other Transactions.* The Initial Purchasers shall be reasonably satisfied that the Equity Investment shall have been or will be received by the Company, the Credit Facilities shall have been or will be funded, and each of the other Transactions shall have been or will be consummated prior to July 31, 2008.

All opinions, letters, certificates and evidence mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Initial Purchasers.

#### 7. Indemnification and Contribution.

(a) *Indemnification of the Initial Purchasers.* The Company agrees to indemnify and hold harmless each Initial Purchaser, its affiliates, directors and officers and each person, if any, who controls such Initial Purchaser within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto) or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the

circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser furnished to the Company in writing by such Initial Purchaser expressly for use therein.

(b) *Indemnification of the Company.* Each Initial Purchaser agrees, severally and not jointly, to indemnify and hold harmless the Company, each of its directors and officers and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Initial Purchaser furnished to the Company in writing by such Initial Purchaser expressly for use in the Preliminary Offering Memorandum, any of the other Time of Sale Information, any Issuer Written Communication or the Offering Memorandum (or any amendment or supplement thereto), it being understood and agreed that the only such information consists of the following: the fifth and sixth sentence in the eleventh paragraph, and the thirteenth paragraph, each in the section entitled "Plan of distribution."

(c) *Notice and Procedures.* If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such person (the "Indemnified Person") shall promptly notify the person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under this Section 7 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under this Section 7. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person (who shall not, without the consent of the Indemnified Person, be counsel to the Indemnifying Person) to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 7 that the Indemnifying Person may designate in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying

Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm for any Initial Purchaser, its affiliates, directors and officers and any control persons of such Initial Purchaser shall be designated in writing by J.P. Morgan Securities Inc. and any such separate firm for the Company, its directors and officers and any control persons of the Company shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an Indemnified Person shall have requested that an Indemnifying Person reimburse the Indemnified Person for fees and expenses of counsel as contemplated by this paragraph, the Indemnifying Person shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Indemnifying Person of such request and (ii) the Indemnifying Person shall not have reimbursed the Indemnified Person in accordance with such request prior to the date of such settlement. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (x) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability or claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) *Contribution.* If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Initial Purchasers on the other from the offering of the Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company on the one hand and the Initial Purchasers on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Initial Purchasers on the other shall be deemed to be in the same respective proportions as the net proceeds (before deducting expenses) received by the Company from the sale of the Securities and the total discounts and commissions received by the Initial Purchasers in connection therewith, as provided in this Agreement, bear to the aggregate offering price of the Securities. The relative fault of the Company on the one hand and the Initial Purchasers on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) *Limitation on Liability.* The Company and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Initial Purchasers were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 7, in no event shall an Initial Purchaser be required to contribute any amount in excess of the amount by which the total discounts and commissions received by such Initial Purchaser with respect to the offering of the Securities exceeds the amount of any damages that such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Initial Purchasers' obligations to contribute pursuant to this Section 7 are several in proportion to their respective purchase obligations hereunder and not joint.

(f) *Non-Exclusive Remedies.* The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

8. Termination. This Agreement may be terminated in the absolute discretion of the Initial Purchasers, by notice to the Company, if after the execution and delivery of this Agreement and on or prior to the Closing Date (i) trading generally shall have been suspended or materially limited on The NASDAQ Stock Market or The New York Stock Exchange or the over-the-counter market; (ii) trading of any securities issued or guaranteed by the Company shall have been suspended on any exchange or in any over-the-counter market; (iii) a general moratorium on commercial banking activities shall have been declared by federal or New York State authorities; or (iv) there shall have occurred any outbreak or escalation of hostilities or any change in financial markets or any calamity or crisis, either within or outside the United States, that, in the judgment of the Initial Purchasers, is material and adverse and makes it impracticable or inadvisable to proceed with the offering, sale or delivery, of the Securities on the terms and in the manner contemplated by this Agreement, the Time of Sale Information and the Offering Memorandum.

9. Defaulting Initial Purchaser.

(a) If, on the Closing Date, any Initial Purchaser defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the non-defaulting Initial Purchasers may in their discretion arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If, within 36 hours after any such default by any Initial Purchaser, the non-defaulting Initial Purchasers do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of 36 hours within which

to procure other persons satisfactory to the non-defaulting Initial Purchasers to purchase such Securities on such terms. If other persons become obligated or agree to purchase the Securities of a defaulting Initial Purchaser, either the non defaulting Initial Purchasers or the Company may postpone the Closing Date for up to five full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Initial Purchasers may be necessary in the Time of Sale Information, the Offering Memorandum or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Time of Sale Information or the Offering Memorandum that effects any such changes. As used in this Agreement, the term "Initial Purchaser" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule 1 hereto that, pursuant to this Section 9, purchases Securities that a defaulting Initial Purchaser agreed but failed to purchase.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Initial Purchaser to purchase the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder plus such Initial Purchaser's pro rata share (based on the principal amount of Securities that such Initial Purchaser agreed to purchase hereunder) of the Securities of such defaulting Initial Purchaser or Initial Purchasers for which such arrangements have not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Initial Purchaser or Initial Purchasers by the non-defaulting Initial Purchasers and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Initial Purchasers. Any termination of this Agreement pursuant to this Section 9 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 10 hereof and except that the provisions of Section 7 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Initial Purchaser of any liability it may have to the Company or any non-defaulting Initial Purchaser for damages caused by its default.

#### 10. Payment of Expenses.

(a) Whether or not the transactions contemplated by this Agreement are consummated or this Agreement is terminated, the Company agrees to pay or cause to be paid all costs and expenses incident to the performance of its obligations hereunder, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation and printing of the Preliminary Offering Memorandum, any other Time of Sale Information, any

Issuer Written Communication and the Offering Memorandum (including any amendment or supplement thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Documents; (iv) the fees and expenses of the Company's counsel and independent accountants; (v) the fees and expenses incurred in connection with the registration or qualification and determination of eligibility for investment of the Securities under the laws of such jurisdictions as the Initial Purchasers may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related fees and expenses of counsel for the Initial Purchasers); (vi) any fees charged by rating agencies for rating the Securities; (vii) the fees and expenses of the Trustee and any paying agent (including related fees and expenses of any counsel to such parties); (viii) all expenses and application fees incurred in connection with the application for the inclusion of the Securities on the PORTAL Market and the approval of the Securities for book-entry transfer by DTC; (ix) any fees or costs incident to listing the Underlying Securities on the Exchange; and (x) all expenses incurred by the Company in connection with any "road show" presentation to potential investors; provided that the Initial Purchasers will pay or cause to be paid one-half of the cost of any chartered aircraft used in connection with such "road show" presentations.

(b) If this Agreement is terminated pursuant to Section 8, the Company agrees to reimburse the Initial Purchasers for the reasonable fees and expenses of their counsel incurred in connection with this Agreement and the offering contemplated hereby.

(c) If (i) the Company for any reason fails to tender the Securities for delivery to the Initial Purchasers or (ii) the Initial Purchasers decline to purchase the Securities for any reason permitted under Section 6 of this Agreement, the Company agrees to reimburse the Initial Purchasers for all out-of-pocket costs and expenses (including the reasonable fees and expenses of their counsel) reasonably incurred by the Initial Purchasers in connection with this Agreement and the offering contemplated hereby.

11. Persons Entitled to Benefit of Agreement. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and any controlling persons referred to herein, and the affiliates, officers and directors of each Initial Purchaser referred to in Section 7 hereof. Nothing in this Agreement is intended or shall be construed to give any other person any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein. No purchaser of Securities from any Initial Purchaser shall be deemed to be a successor merely by reason of such purchase.

12. Survival. The respective indemnities, rights of contribution, representations, warranties and agreements of the Company and the Initial Purchasers contained in this Agreement or made by or on behalf of the Company or the Initial Purchasers pursuant to this Agreement or any certificate delivered pursuant hereto shall survive the delivery of and payment for the Securities and shall remain in full force and effect, regardless of any termination of this Agreement or any investigation made by or on behalf of the Company or the Initial Purchasers.

13. Certain Defined Terms. For purposes of this Agreement, (a) except where otherwise expressly provided, the term "affiliate" has the meaning set forth in Rule 405 under the Securities Act; (b) the term "business day" means any day other than a day on which banks are permitted or required to be closed in New York City; (c) the term "Exchange Act" means the

Any representation or warranty of the Company made under Section 3 with respect to OMX, PHLX and their subsidiaries is limited in its entirety to the knowledge of the Company with respect to such matter.
